

Remarks:

Applicant has filed a Request for Continued Examination to reopen prosecution. Claims 11, 12 and 14-20 have been cancelled without prejudice and replaced by new claims 21-38. Support for new claims 21-38 are provided in sections of the application as originally filed, including but not limited to pages 6-10 of the specification, among other sections, and Figures 1a-2b. No new matter has been added.

None of the cited references are believed to teach or suggest the elements of claims 21-38. Applicants respectfully submit that the claims are allowable over the art of record and request favorable consideration of the new claims. If the Examiner believes there are any matters preventing allowance at this time, the Examiner is encouraged to contact the undersigned attorney by telephone at (610) 407-0700 to resolve those matters expeditiously.

Respectfully submitted,
